the Cross is yours?"

The interest of the Chiefs became intense and ainful.

The First of the Seven was a man of community was heard in murning to the first of the Seven and in property was heard in murning to the first of the Seven was a man of community was a man of commu

brethren. But suddenly his blood grew cold are, it is from your race that there will spring a again, as the voice of the Swede fell on his cur: high souled Man, who will strike astonishment into the hearts of all men, for he will embody,

and the great office will doubtless fall to the lot of some worthier Brother."

But they silenced him with their murmurs— every one, from the Swede to the Black Man,

These words excited universal interest. Every now the name of the the lot of some words and rather than the Indiano and Parlant Transformers.

blick robe, with a deep thought upon his ton-the tablet which the old man held toward the prophetic light, seemed to be all alre dy a

whelming solemulties of the occasion. They were about to elect a Man, who could control for good or evil—for good or evil in the present age and through all luture time—the immense organization of the Brotherhood.

On whom would the work lall?

The Turk, the Ilindoo, the Arab—the eyes of the Peasant roved along the throng—or perchance—the Black Man? By the chance or fatality of that mysterions lottery, the destiny of the Order and the World might be embodiciplint a Negro;—a Negro! one of that thrice de graded race, who have been ever doomed to drain the bitterest dregs of slavery, and wear its heaviest chain upon their lacerated souls.

Meanwhile the aged Swede sat apart, his white beard floating over his breast. His days were numbered; he was not a candidate for the great office, and more than this, he had been the last keeper of the sacred symbol of Brotherhood. The was therefore not a Candidate, but a Judge.

While the Peasant stood leaning against the veiled figure, the other brotheren advanced one were downed on the brother nature and a large.

While the Peasant stood leaning against the veiled figure, the other brotheren advanced one had been been been been been dealed.
